

CentralReach

Setting Up Your Account

1

Visit members.centralreach.com.

2

Click the "Forgot Password?" link.

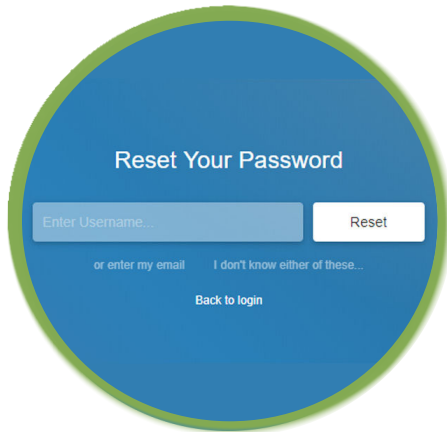

3

Select "or enter my email".

4

Put in your email address and select "Reset".

Email must match the one given in registration documents.

5

Check your email!

There will be a message with a link you can use to set your password.

If you do not receive an message from Central Reach, check your spam folder.

If you have multiple children receiving services at AB Spectrum, you will need additional support to set up multiple logins. Please contact your clinic's Family Child Advocate for assistance.
